

# Derby Hippodrome

Find out about our new plans – Join us and help make it happen!

## Our Objectives are...

- To restore an historic Grade 2 public building to its former glory
- To create an exciting new entertainment venue in the heart of Derby
- To create new jobs in an enhanced Derby cultural sector, complementing existing venues
- To provide a large boost to St Peter's Quarter regeneration, creating a vibrant evening atmosphere

## Derby Hippodrome Restoration Trust

*Membership costs just £20 per person for the whole year*

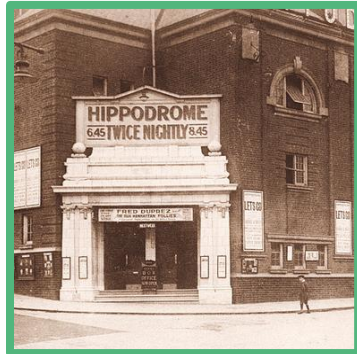

# A two step plan to restore one of Derby's gems

By 2020 we aim to have restored the theatre into basic, flexible performance venue which can host local theatre companies and nurture local talent. Revenue generated from the basic performance venue will allow full restoration to take place in subsequent years creating a traditional theatre venue which can be used for plays, ballet, operas, musicals and pantomimes. The building presents some unique opportunities including the potential for a rooftop restaurant with a fantastic view over the Cathedral Quarter as well as providing a hub for regeneration in St Peter's Quarter.

**We need your help as we develop our bid for HLF funding for the basic restoration. Please consider donating or working with us to make this critical next step.**

A restored Hippodrome would perfectly complement the Assembly Rooms, the Guildhall and the Playhouse. It provides the missing link in Derby's cultural scene. Visit our website to find out more.
